

Bear Tracks in the Garden Supply List

- Bear Tracks in the Garden pattern

For fabric requirements follow the yardage requirements listed on the back of the pattern for your chosen size

- sewing machine in good working order
- 1/4" foot for your machine or a seam guide
- sewing machine needle size 11 or 12
- thread to blend with your fabrics (I usually use a gray or tan for most of my piecing)
- pins (my favorites are the Crystal head pins from Clover, but any fine sharp pins will do)
- seam ripper
- rotary cutter
- cutting mat
- ruler (6" x 24" or 8 1/2" x 24" recommended, you might also want a smaller one as well such as 6" x 12" or 4" x 14")
- thread snips or scissors
- paper and pencil or pen
- marking pen or pencil that will show on your fabric
- template plastic

Please have your fabrics washed and dried and pressed with Magic Sizing before you come to class. I wash my fabrics in the washing machine with just a little bit of detergent and then dry them in the dryer. I then spray them lightly with Magic Sizing and iron them to give them a bit more body and stability.

Please feel free to call or email if you have any questions before class at (860)456-7629 or email at custserv@quiltersdream.com
